

# July Monthly Mission Project: Hopelink's "Back to School" Supplies Drive

Did you know there are over 5,000 children from low-income families in the Lake Washington School District? Families where the income is low enough that the children qualify for free or reduced price lunches at school? This is not our image of our school district!

For these families, the ever increasing list of requested school supplies that comes out as school gets ready to start is a significant burden on already strained finances.

Hopelink, our primary Eastside social services agency, will once again be supplying many of these children with school supplies, **with your help.**

Or, you can donate money to help with this program by simply sending a check to:

Hopelink  
10675 Willows Rd NE  
#275,  
Redmond, WA 98052,  
with "School Supplies" on the memo line.
